

Certificate of Carbon Balanced Service

This certificate is hereby granted to

F.LLI SISOFO SRL, End Customer:

Acknowledging that

0.66 tonnes of CO₂ emissions associated with the Ricoh device listed below during its full 5-year life cycle has been offset with 1 carbon credit(s) (equivalent to 1 tonnes of CO₂) in accordance with EcoLeaf*.

Product: IM C2010

Serial Number: 9135RA32427

On behalf of F.LLI SISOFO SRL, Anthesis B.V. ** ensures the retirement of the carbon credit(s) in the respective global registry.

*The EcoLeaf Type III environmental declaration (EPD) is based on the life cycle impact assessment (LCIA) to measure the environmental impact of a product through all life cycle stages and is in accordance with the ISO 14025 standards. Compatible with International Energy Star Program Ver.3.0

The scope of the 5-year life cycle impact analysis: Raw material acquisition, Production, Distribution, Use & maintenance, End-of-Life.

The CO₂ emissions of the image output medium (printing paper) is not included.
